“ I remember as a child we would visit Uncle Tom and Aunt Barbara and as we were taking a walk, she told my folks that Uncle Bob was about to get engaged to her coworker, Marian Myers, Wow 2 redheads joined the Deprez clan.

The day before Uncle Bob and Aunt Marion's wedding in York PA, Aunt Barbara gave me a birthday present on my 11th birthday.

Through the years we would call and visit her and once we were able to bring 2 granddaughters, Maura and Tess. Aunt Barb was thrilled to see them in person, especially Tess, another Ginger.

She seemed happy to see us in Nov.2017. We would always share golf stories with her, either in person or when we would call her from VA.
