“ It pains me greatly that I just learned of Cherie's passing, today, April 6th. I met Cherie back in State College Pa at a Junior League coffee. It was her contagious laugh and beautiful smile that had me at "Hello". Many years of great times followed - and conversations over coffee or wine were routine. She welcomed you into her beautiful home at anytime...Cherie was the heart of her home...and was blessed with a wonderful husband and children--a true definition of a woman called by God..to live love and laugh --in His amazing grace. She was an inspiration...and although our conversations became fewer and farther between due to moves to NY and MD--we always picked up where we left off...either laughing or crying. I loved Cherie--and she was a true and faithful friend. My life is more meaningful because of Cherie. Her legacy will live on in her children and in all the lives she touched by both her spoken and written words. "When my heart is overwhelmed, lead me to the rock that is higher than I." Psalm 61:5 Love, Leigh Kennedy (Petrasek)
