“ Dear Bob, Barbara and Family,

We are so Very, Very sorry to hear of Erik's passing. There is nothing to compare with the loss of a child, especially one as wonderful as Erik! It was such a joy having Erik on our Rochester Youth Hockey teams so long ago. I fondly remember Erik's passion for the game. We could always count on Erik going all out! He never took a shift off, and always gave 200% every time he hit the ice! Erik consistently demonstrated his love of the game through all the practices, games and tournaments with impeccable dedication and sportsmanship. Erik was someone any team would cherish to have on their roster. We were blessed with some very special memories of Erik, and both of you, for those hockey times so long ago, and can only imagine the treasures you have to carry you forward. Sadly, we will miss being with you this week, as we are traveling to Nashville to visit with Sean and his family. Please know our heart felt thoughts and prayers are with you now, and the days to come.

With All Our Love & Condolences,

Richard & Barbara McMullen

“ Bob and Family,

My condolences to you and your love ones to the loss of your son and brother. I don't know Erik, but worked in pre-press with Bob for many years. He would tell us stories of what the kids have been up too. Until his retirement, we have not seen each other.

We're very saddened to hear the news of your son, Erik. May his memories live in your hearts.

“ Dearest Barb, Bob, Karl, Kerry and Kate,
Doug IV and I extend our thoughts and prayers to you all at this sorrowful time. Erik was a wonderful, spirited, driven young man. I loved watching him on the ice at high school hockey where he was skating under and around the knees of his opposing defense players (6 feet tall and 250 lbs) and beating them down the ice. God bless you all,
Doug Blue III, Doug Blue IV and Barb Blue

“ I was shocked and saddened to hear of Erik's death. I had seen him at # 52 School when he was doing student teaching or an internship there. I saw his name on the sign-in sheet and went up where he was to see him. I was soooooo happy to see him and to visit with him after all these years. He was delightful and charming and handsome as always. I had not seen him since he was a darling, bright and huggable first grader in my classroom. I can't even begin to imagine the pain that you all must be feeling. I will hold you in my heart and in my prayers. How fitting for such a loving person to have been born on Valentin's Day. Sent with love, Mrs. Haley, now, Ms. Randy Bradshaw
