“ So sorry about Dr Carroll's death. My dad Bernie Hohman delivered mail to his office in Brighton for years in the 50's and 60's and our family (6 Kids ) spent many hours in the dental chair there. Our thoughts and prayers are with your family at this time. From the Hohman family

“ My late father, Phil Knight was a friend of Dr. Carroll's for many years. Dr. Carroll was a customer of his; through Johnson and Lund and Primrose Johnson. Even after my dad moved to FL in the 80's they stayed in touch. On behalf of my dad, who died 2 years ago, I send sincere sympathy. Betsy Knight Inglis.

“ I am deeply saddened by the passing of Dr Carroll. I hold dearly lots of memories of growing up across the street from the Carroll's, spending lots of time at their house and family vacations together. My thoughts and prayers are with all the Carroll's at this difficult time
