“ We were always amazed to hear Leonard recite his sports trivia, we never could stump him. His steady play on the golf course inspired me. Leonard's sense of humor consistently sparked our social events with him.

“ For many years Lenny and I worked closely together, he was like a big brother to me , and will be greatly missed. Knowing the ailment that afflicted Lenny I believe that at long last he is in a much better place, free from his earthly burden. He was very fortunate to have his loving wife Harriet to care and comfort him during his years of suffering. I hope Harriet will now have comfort and peace for a job well done. I know Lenny loved and appreciated her thoughtful care during this trying time. God be Harriet and Lenny's loved ones. His dear friend John Cohen.
