“ As an across the street neighbor, I have a vivid memory of Bob restoring a Morgan. When he had completed the restoration, I was really in awe of his accomplishment, and when I said so, he asked if I would like to have a ride - of course I did, and we tooted around the block! He was pleased that I was so delighted. And on my eightieth birthday, when my family had a big celebration, Bob and Annabelle were there. What I didn't realize was that Bob was taking pictures that Saturday. The very next afternoon, Bob came across the street with wonderful photos and a framed picture of me with my children! What a gift! But one of the loveliest memories comes from my youngest son, Jim. Jim always considered Bob a "cool dude." When asked why, he told me that when he was eight or nine, on Hallowe'en when he had been "trick or treating", Bob had given out baseball cards, and my son was just thrilled; his memory of Bob will always be that he was a "cool dude." Thank you, Bob.

“ Bob Tescione was one oi the nicest people I have known in my seventy years. Unfortunately, I didn't know bob until I joined the MG Car Club several years ago. I certainly wish I had known him longer. We have lost one of the very best.
