“ Wayne was truly a wonderful man. He had that warm smile when he greeted you. I so enjoyed the times we all shared from college with our girls, Marcie and Meg, to Christmas Eves. You will truly be missed, but will live on in your beautiful ladies, Janice, Marcie and Shana as well as your precious Grand Children. Be at peace Wayne.
Love Maureen.

“ I have known Wayne since I was in college. I can recall many parents weekends that he and Janice visited, filled with great conversation and plenty of laughs. I may have had a few lectures from Wayne as well. (Lol.) I have been fortunate enough to have also vacationed with the Bubbs, spending happy hours on the porch and had the chance to enjoy Wayne's grilling skills. Lucky for us, Wayne and Janice moved to South Carolina and I had the chance to share birthdays (Wayne drove me home in the back of his truck on my 30th- he said I talked the whole way home, and he was glad I was in the back!) Holidays, and even just family get togethers. I always enjoyed seeing him and having a conversation and some laughs with Wayne. He and Janice raised two wonderful girls and I am lucky to be part of their lives. Wayne was a lucky man, but I truly think I am the lucky one to have had him in my life. You will be missed everyday Wayne!

I'm looking forward to the cheers from Heaven come Bills season!
